Homosexual prostitution inquiry ensnares VIPs with Reagan, Bush

'Call boys' took midnight tour of White House

By Paul M. Rodriguez and George Archibald
THE WASHINGTON TIMES

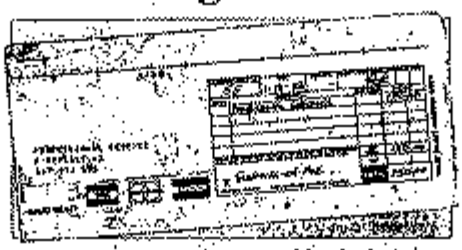
A homosexual prostitution ring is under investigation by federal and District authorities and includes among its clients key officials of the Reagan and Bush administrations, military officers, congressional aides and U.S. and foreign businessmen with close social ties to Washington's political elite, documents obtained by The Washington Times reveal.

One of the ring's high-profile visits was so well-connected, in fact, that he could arrange a midnight tour of the eight floors of the White House for his friends on Sunday, July 3, of last year. Among the six persons on the extraordinary 1 a.m. tour were two male prostitutes.

Federal authorities, including the Secret Service, are investigating criminal aspects of the ring and have told male prostitutes and their homosexual clients that a grand jury will deliberate over the evidence throughout the summer, The Times learned.

Reporters for this newspaper examined hundreds of credit card vouchers, drawn on both corporate and personal cards and made payable to the escort service operated by the homosexual ring. Many of the vouchers were run through a so-called "sub-merchant" account at the Cheshire Funeral Home by a son of the owner, without the company's knowledge.

Among the client names contained in the vouchers — also identified by prostitutes and escort operators — are government officials, socially famed U.S. military officers, businessmen, lawyers, bankers, congressional aides and other professionals.



Editors of The Times said the newspaper would print only the names of those found to be in sensitive government posts or positions of influence. "There is no intention of publishing names or facts about the operation merely for titillation," said Wesley Pruden, managing editor of The Times.

The office of U.S. Attorney Jay B. Stephens, former deputy White House counsel to President Reagan, is coordinating federal aspects of the inquiry but refused to discuss the investigation or grand jury action.

Several former White House colleagues of Mr. Stephens are listed among clients of the homosexual prostitution ring, according to the credit-card records, and those persons have confirmed that the charges were theirs.

Mr. Stephens' office, after first saying it would cooperate with The Times' inquiry, withdrew the offer late yesterday and also declined to say whether Mr. Stephens would recuse himself from the case because of possible conflict of interest.

As both one highly placed Bush administration official and a wealthy businessman who procured homosexual prostitutes from the escort services operated by the ring are cooperating with the investigation, several sources said.

Among clients who charged homosexual prostitute services on major credit cards over the past 18 months are Charles R. Dolcher, former associate director of presidential personnel in the Reagan administration, and Paul R. Bedell, a Secretary Elizabeth Dole's political personnel liaison to the White House.

In the 1980s, Mr. Dolcher was a congressional aide to former Rep. Robert Bauman, Maryland Republican, who resigned from the House after he admitted having engaged in sexual liaisons with teen-age male

25,000 Refugees Said to Be in Need—Rumania Menaces 800,000 With Anti-Semitism

The number of Jews deprived of their rights and economic opportunity in Europe increased greatly last year, Dr Bernhard Kahn, European director of the American Jewish Joint Distribution Committee, said on his arrival here last week from Europe.

The new Government of Rumania has threatened to outlaw 800,000 Rumanian Jews, "disregarding peace treaties, minority treaties and the constitution of the country," said Dr Kahn

government except sometimes in cases of physical violence and public disturbance," he said.

"It is a matter for encouragement, however, that many outstanding personalities and some political parties in Poland are courageously raising their voices against the inhuman treatment of the Jews and the poisonous atmosphere of anti-Semitism

"In Germany the Jews are being driven out of the last economic positions. Increased oppression is swelling the number of refugees and emigrants. More than 15,000 Jews had to leave Germany during the last year and in the middle of the year the German laws of racial discrimination were extended to the 12,000 Jew in Upper Silesia (the Danzig corridor)"

Dr Kahn said there are 25,000 refugees in Europe, the greater number of them living in need and in demoralizing uncertainty. He expressed the hope that the intergovernmental conference at the League of Nations would take up the refugee problem again in February.

"Five to six million in all are today the victims of governmental anti-Semitism and policies of unchecked anti-Semitic propaganda and persecution All these millions are in danger of losing their rights as citizens. Their economic existence is constantly menaced and for thousands upon thousands their

The Crucifixion of Jews Must Stop!

By MARTIN H. GLYNN

(Former Governor of the State of N. Y.)

From across the sea six million men and women call to us for help, and eight hundred thousand little children cry for bread.

These children, these men and women are our fellow-members of the human family, with the same claim on life as we, the same susceptibility to the winter's cold, the same propensity to death before the fangs of hunger. Within them reside the illimitable possibilities for the advancement of the human race as naturally would reside in six million human beings. We may not be their keepers but we ought to be their helpers.

In the face of death, in the throes of starvation there is no place for mental distinctions of creed, no place for physical differentiations of race. In this catastrophe, when six million human beings are being whirled toward the grave by a cruel and relentless fate, only the most idealistic promptings of human nature should sway the heart and move the hand.

Six million men and women are dying from lack of the necessaries of life; eight hundred thousand children cry for bread. And this fate is upon them through no fault of their own, through no transgression of the laws of God or man; but through the awful tyranny of war and a blighted lust for Jewish blood.

In this threatened holocaust of human life, forgotten are the niceties of philosophical distinction, forgotten are the differences of historical interpretation; and the determination to help the helpless, to shelter the homeless, to clothe the naked and to feed the hungry becomes a religion at whose altar men of every race and worship and women of every creed can kneel. In this calamity the temporalities of man's frail holdings fall away before the eternal verities of life, and we awaken to the fact that from the hands of one God we all come and before the tribunal of one God we all must stand on the day of final reckoning. And when that reckoning comes mere professions of ills will not weigh a pennyweight; but deeds, mere intangible deeds, deeds that dry the tear of sorrow and allay the pain of anguish, deeds that with the spirit of the Good Samaritan pour oil and wine in wounds and find sustenance and shelter for the suffering and the stricken, will outweigh all the stars in the heavens, all the waters in the seas, all the rocks and metals in all the celestial globes that revolve in the firmament around us.

Even in a matter of accident; creed, partly a matter of inheritance, partly a matter of environment, partly one's method of rationalization; but our physical wants and corporeal needs are identical in all of us by the hand of God, and the man or woman who can, and will not, hear the cry of the starving; who can, and will not, take heed of the wail of the dying; who can, and will not, stretch forth a helping hand to those who sink beneath the waves of adversity is an assassin of nature's finest instincts, a traitor to the cause of the human family and an abhorrer of the sacred law written upon the tablets of every human heart by the finger of God Himself.

WAITING?

And so in the spirit that turned the poor widow's recite offering of copper to silver, and the silver into gold when placed upon God's altar, the people of this country are called upon to magnify their mercy by giving $15,000,000 in the cause of the humanity of blood to six million famished men and women.

Six million men and women are dying —eight hundred thousand little children are crying for bread.

And why?

Because of a war to lay Autocracy in the dust and give Democracy the sceptre of the just.

And in that war for democracy 250,000 Jewish lads from the United States fought beneath the Stars and Stripes. In the 77th Division alone there were 14,000 of them, and in Argonne Forest this division captured 24 German guns. This shows that at Argonne the Jewish boys from the United States fought for democracy as Judas fought against the Amalekites on the plains of Abraham. In an address on the so-called "Lost Battalion," led by Colonel Whittlesey of Pittsfield, Major-General Alexander shows the fighting stuff these Jewish boys were made of. In some way or another Whittlesey's command was surrounded. They were short of rations. They tried to get word back to the rear telling of their plight. They tried and they tried, but their men never got through. Pyjutzki and Stupfarbier and Gespalt were in the air. And when the hour was darkest and all seemed lost, a soldier lad stepped forward, and said to Col. Whittlesey: "I will try to get through." He tried, he was wounded, he had to creep and crawl, but he got through. Today he wears the Distinguished Service Cross and his name is

ABRAHAM KROTOSHINSKY.

Because of this war for Democracy six million Jewish men and women are starving across the seas; eight hundred thousand Jewish babes are crying for bread,

AMERICANS APPEAL FOR JEWISH REFUGE

Pro-Palestine Federation Asks Britain to Take a Strong Course in Holy Land.

ARMS OF MANDATE CITED

Petition Urges It Be Made Clear to 'Turbulent Element' That These Will Be Carried Out.

Special to The New York Times.

WASHINGTON, May 30—A petition addressed to Prime Minister Stanley Baldwin expressing the hope that Great Britain will adopt a course favoring the establishment of a free Jewish nation in Palestine such as would provide refuge for millions of persecuted Jews in Eastern Europe and Germany was presented to Sir Ronald Lindsay, the British Ambassador, today by a delegation representing the Pro-Palestine Federation of America and headed by the Right Rev. James F. Thomas, Episcopal Bishop of Washington.

The petition, in expressing the opinion of enlightened Christian leadership in the United States, favoring a larger Jewish immigration into Palestine, stressed the historic and religious rights of the Jewish people in the "Promised Homeland."

Urges Definite Policy

It suggested the need for a clear and definite policy on the part of the British Government in the carrying out of the stipulations of the Palestine mandate.

The "historic hope" that would find, in a time when Murder and prejudice seem "to have engulfed a large portion of the civilized world, the desert-born commonwealth of nations to enfold upon its blest the rest for the souls of a new era of righteousness, justice and human brotherhood."

The petition was signed by Samuel Harden Church, president of Carnegie Institute, Pittsburgh, Pa.; Dr. S. Parkes Cadman, president of the Federal Council of Churches of Christ in America; Ivan Lee Holt, president of the Federal Council of Churches of Christ, St. Louis, Mo.; Frederick B. Robinson, president of City College, New York; John Haynes Holmes, Community Church, New York; W. F. Hawkes, City Manager, Cleveland, Ohio, and Solomon Goldman Rabbi, New York.

The Pro-Palestine Federation of America is a national organization of American Christian Committees, an affiliate of the Hebrew National Home Army, with offices at 342 Fifth Avenue, New York.

Text of Petition

The text of the petition follows:

The plight of millions of human beings in Eastern Europe and Germany has stirred the conscience of enlightened mankind. Here economists and statesmen, men with the noble ways of their various of prejudice and persecution, have come to see no escape.

Vast populations are moving here there unfortunate persons from vast countries are now called for. It is the consensus of enlightened Christian American opinion that God has bestowed upon England one of the greatest solutions in human history—

Un salvation of Israel and restoration to its ancient patrimony Great Britain was in within her power to throw open the gates of Palestine and let in the victorious and persecuted Jews escaping from the Nazarene war.

Enlightened Christian opinion in America is now eager to see the provisions of the Palestine mandate carried out. It is eager to see the settling of the Jews in the land facilitated in accordance with the stipulations of the mandate. Absent are it would welcome the removal of any impediments and restrictions to the peaceful settlement of Jewish colonists, which currently and prominent projects of self-government would cause, in the present conditions of the country.

Reception Problem

We are mindful of the complex and difficult task faced by His Majesty's government in Palestine. We do not appreciate the unfortunate situation which the Palestine Government is confronting with the problems there. We, however, feel that the right solution can be a definite policy, which should, once and for all, make clear to the turbulent element in Palestine that the Mandatory government, as mandatory policy, will carry out its trust in full, transform Palestine into a Jewish homeland in which the Jewish people at large, and which they may look upon as their own, and which they may have the right to repatriate themselves into a free nation.

It is our fond hope and sincere belief that in the present grave

Why ? -
Israel wants a strong Wahhabi-Al Qaeda presence in the region to counter the secular Baathists as well as their Shiite allies in Lebanon and Iran.

This is essentially a tactical alliance between extremist Zionist-Jews and Radical Sunni Muslims.

Today British, American and Zionist imperialism manifest the banker agenda for "world government" through the destruction of religion, nation, race and family.
This imperialism does not express the interests or wishes of ordinary English, American or Jewish people who are being colonized themselves.
This lethal problem arose because the nations of the world apparently relied on a network of Jewish bankers to create their money supply. No nation had the power or wit to break away from this worldwide imperialist system which is tightening its grip.

What better way to weaken the country—maybe able to conquer it—and place it back under Britain's thumb again, than to split it up into pieces?

Same old game the U.S. is playing today in the Mideast. We have Jews running the U.S. now too,so it's back to "Lets you and him fight."

They then lend more 'money' (credit) to rebuild the devastated infrastructure caused by the war and to re-arm for the next one

This has been going on for centuries and ,in this way and others, they have secured ownership of the world

The immigration debate is disingenuous because America has been subverted by the Illuminati, a Masonic Jewish satanic cult. -

Its goal is to use immigration to dilute and destroy the European Christian heritage of the US and the West in general.

Both parties are following the Masonic One World Race agenda.

This agenda is playing out both in the United States and Europe. The Illuminati undermine the nations of Latin America, North Africa and the Middle East.

They set off a tidal wave of northward migration as millions of desperate people seek a stable and prosperous homeland.

In the US and Europe, the object is to make Europeans a minority, and to create another political constituency like women and gays dependent on the Illuminati. It's called the "Cloward-Piven Strategy."

Massacre Threatens All Jews as Soviet Power Wanes, Declares Kreinin, Coming Here for Aid.

Copyright, 1921, by The Chicago Tribune Co.

BERLIN, July 19.—Russia's 6,000,000 Jews are facing extermination by massacre. As the famine is spreading, the counter-revolutionary movement is gaining and the Soviet's control is waning. This statement is borne out by offical documents presented to the Berlin Government, which show that numerous pogroms are raging in all parts of Russia and the Ukraine.

The information was gathered by Dr. Joseph Kreinin, a noted Jewish social worker and President of the Russian Joint Board of Jewish Societies. He says that several villages have been burned already and scores killed, sev-

PRES. OBAMA: "OUR HEARTS
ARE BROKEN TODAY"

Dr. Paul Nathan's View of Russian Massacre

STARTLING reports of the condition and future of Russia's 6,000,000 Jews were made on March 12 in Berlin to the annual meeting of the Central Jewish Relief League of Germany by Dr. Paul Nathan, a well-known Berlin publicist, who has returned from an extensive trip through Russia as the special emissary of Jewish philanthropists in England, America, and Germany, to arrange for distribution of the relief fund of $1,500,000 raised after the massacres last Autumn.

Dr. Nathan paints a horrifying picture of the plight and prospects of his coreligionists, and forecasts at any hour renewed massacres exceeding in extent and terror all that have gone before. He left St. Petersburg with the firm conviction that the Russian Government's studied policy for the "solution" of the Jewish question is systematic and murderous extermination.

Dr. Nathan read to the meeting a circular addressed to the garrison of Odessa, calling upon the soldiers to "rise and crush the traitors who are plotting to upset the holy Government of the Czar and substitute for it a Jewish empire."

He concluded with an appeal to the Jewish money powers of the world to arrest Russia's career as a borrower. The financiers of the world should call a halt to Russia, not only for humanitarian reasons, but for practical reasons. Russia's bankruptcy is an established fact, he added.

We shall soon collect them in the name of the coming Caliphate. We will say to you: These are our sons. Send them, or we will send our armies to you."

The third world war must be fermented by taking advantage of the Muslim wish to “spread Islam” in the Kafir land of Europe and the stupidity of the European liberals JEWS will continue to bring Muslim Immigrants, finance them, ban criticism of them in European media, till they become 40-50% of Europe population and will be able to participate in the civil war that the JEWS will trigger. This will destroy forever European Civilization and make the JEWS be able to expand their land to “Greater Israel’ while the Middle Eastern Muslims will run to Europe for Jihad
Are the JEWS Islamizing Europe for this reason?

EXCLUSIVE: Prince's controversial verdict on Russian leader's invasion of Ukraine

CHARLES: PUTIN IS BEHAVING JUST LIKE HITLER

Charles's comments will provoke global controversy

PRINCE Charles has sensationally likened Vladimir Putin to Adolf Hitler.

In a withering verdict on the actions of the Russian president in Ukraine, he told a woman who lost relatives in the Nazi Holocaust: 'And now Putin is doing just about the same as Hitler.'

From Rebecca English in Halifax, Nova Scotia

The prince's extraordinary intervention is certain to cause international controversy.

It is likely to be seen as a criticism of the West for failing to confront Mr Putin over his seizure of Crimea. The annexation was the first by a major power in Europe since 1945.

Observers have compared the crisis in Ukraine with Hitler's takeovers of Czechoslovakia and Poland. They have pointed to the similar use of disguised special forces to stir up tensions in disputed areas.

Charles, who is scheduled to meet Mr Putin at the D-Day commemorations in France on June 6, made his well-intentioned but unguarded comment during a visit to the Canadian

The Crucifixion of Jews Must Stop!

By MARTIN H. GLYNN

(Former Governor of the State of N. Y.)

From across the sea six million men and women call to us for help, and eight hundred thousand little children cry for bread.

These children, these men and women are our fellow-members of the human family, with the same claim on life as we, the same susceptibility to the winter's cold, the same propensity to death before the fangs of hunger. Within them reside the illimitable possibilities for the advancement of the human race as naturally would reside in six million human beings. We may not be their keepers but we ought to be their helpers.

In the face of death, in the throes of starvation there is no place for mental distinctions of creed, no place for physical differentiations of race. In this entire tragedy, when six million human beings are being whirled toward the grave by a cruel and relentless fate, only the most idealistic promptings of human nature should sway the heart and move the hand.

Six million men and women are dying from lack of the necessaries of life; eight hundred thousand children cry for bread. And this fate is upon them through no fault of their own, through no transgression of the laws of God or man; but through the awful tyranny of war and a bigoted lust for Jewish blood.

In this threatened holocaust of human life, forgotten are the niceties of philosophical distinction. Forgotten are the differences of historical interpretation; and the determination to help the helpless, to shelter the homeless, to clothe the naked and to feed the hungry becomes a religion at whose altar men of every race and worship and women of every creed can kneel. In this calamity the temporalities of man's fleshmongs fall away before the eternal verities of life, and we awaken to the fact that from the hands of our God we all come and before the tribunal of one God we all must stand on the day of final reckoning. And when that reckoning comes mere profession of life will not weigh a pennyweight; but deeds, mere intangible deeds, deeds that dry the tear of sorrow and allay the pain of anguish, deeds that with the spirit of the Good Samaritan pour oil and wine in wounds and find sustenance and shelter for the suffering and the stricken, will outweigh all the stars in the heavens, all the waters in the seas, all the rocks and metals in all the celestial globes that revolve in the firmament around us.

Even in a matter of accident; creed, partly a matter of inheritance, partly a matter of environment, partly one's method of rationalizing; but our physical wants and corporeal needs are implanted in all of us by the hand of God, and the man or woman who can, and will not, hear the cry of the starving; who can, and will not, take heed of the wail of the dying, who can, and will not, stretch forth a helping hand to those who sink beneath the waves of adversity is an assassin of nature's finest instincts, a traitor to the cause of the human family and an abhorrer of the sacred law written upon the tablets of every human heart by the finger of God Himself.

And so in the spirit that turned the poor widow's recite offering of copper to silver, and the silver into gold when placed upon God's altar, the people of this country are called upon to sanctify their money by giving $18,000,000 in the cause of the humanity of Moses to six million fascinated men and women.

Six million men and women are dying —eight hundred thousand little children are crying for bread.

And why?

Because of a war to lay Autocracy in the dust and give Democracy the sceptre of the just.

And in that war for democracy 300,000 Jewish lads from the United States fought beneath the Stars and Stripes. In the 77th Division alone there were 14,000 of them, and in Argonne Forest this Division captured 24 German guns. This shows that at Argonne the Jewish boys from the United States fought for democracy as Joshua fought against the Amalekites on the plains of Abraham. In an address on the so-called "Lost Battalion," led by Colonel Whittlesey of Pittsfield, Major-General Alexander shows the fighting stuff these Jewish boys were made of. In some way or another Whittlesey's command was surrounded. They were short of rations. They tried to get word back to the rear telling of their plight. They tried and they tried, but their men never got through. Finally he and Major Sevelon and Captain were in the air. And when the hour was darkest and all seemed lost, a soldier led stepped forward, and said to the Whittlesey: "I will try to get through." He tried, he was wounded, he had to creep and crawl, but he got through. Today he wears the Distinguished Service Cross and his name is

ABRAHAM KRUTOSHINSKY.

Because of this war for Democracy six million Jewish men and women are starving across the seas; eight hundred thousand Jewish babes are crying for bread,

AMERICANS APPEAL FOR JEWISH REFUGE

Pro-Palestine Federation Asks Britain to Take a Strong Course in Holy Land.

ARMS OF MANDATE CITED

Petition Urges It Be Made Clear to 'Turbulent Element' That Those Will Be Carried Out.

Special to The New York Times.

WASHINGTON, May 30—A petition addressed to Prime Minister Stanley Baldwin expressing of the hope that Great Britain will start a system favoring the establishment of a free Jewish nation in Palestine such as would provide refuge for millions of persecuted Jews in Eastern Europe and Germany was presented to Sir Ronald Lindsay, the British ambassador, today by a delegation composed representing the Pro-Palestine Federation of America and headed by the Right Rev. Henry P. Fischer, Episcopal Bishop of Washington.

The petition, in expressing the opinion of enlightened Christian leadership in the United States, favoring a larger Jewish immigration into Palestine, stressed the broader aspects of the problem of Jews in "the European holocaust."

Urges Definite Policy

It suggested the need for a clear and definite policy on the part of the British Government in the carrying out of the stipulations of the Palestine mandate.

The "historic hope" was voiced that, in a time when Hitlerism and prejudice seem "to have engulfed a large portion of the civilized world, the plain citizens consecrate of nations to united open to them the way for the Jews to a new era of freedom, justice and human brotherhood."

The petition was signed by Samuel Hirsch Chotzinoff, president of Carnegie Institute, Pittsburgh, Pa.; Dr. S. Parkes Cadman, president of the Federal Council of the Churches of Christ in America; Ivan Lee Holt, president of the Federal Council of Churches of Christ, St. Louis, Mo.; Frederick B. Robinson, president of City College, New York; Charles Herbert Sheldon, Community Church, New York; W. E. Dowling, City Manager, Cleveland, Ohio, and Bishop Gerald Kelly, New York.

The Pro-Palestine Federation of America is a national organization of American citizens supporting the Balfour declaration, which declared Great Britain favored the establishment of a Jewish national home in Palestine. Its offices are at 205 Fifth Avenue, New York.

Toll of Millions

The text of the petition follows:

The plight of millions of human beings in Eastern Europe and Germany has stirred the conscience of enlightened mankind. Here compassion and conscience, even with the sufferings of these victims of prejudice and persecution, are not enough.

The practical question is: What can these unfortunate millions find that will contribute to their relief? It is the conscience of enlightened Christian American opinion that this has narrowed upon England one of the greatest solutions in human history—

The salvation of Israel and restoration to its ancient patrimony Great Britain has it within her power to throw open the gates of Palestine and let in the oppressed and persecuted Jews escaping from the European hell.

Great Britain, solution is America is more eager to see the provisions of the Palestine mandate carried out. It is eager to see the settling of the Jews in the land facilitated in accordance with the stipulations of the mandate. Above all it would welcome the measure or any amendments and modifications to the mandate, which, without destroying the treaty rights of others, would remove, which seriously and permanently prejudice all safeguards, short which cause, in the present conditions of the country.

Recognizes Problems

We are mindful of the complex and difficult task faced by His Majesty's government in Palestine. We also appreciate the sincere efforts it has made in the Palestine problem. We are willing with the problems there. We, however, feel that the right solution only for a definite policy, which should, once and for all, make clear to the turbulent element in Palestine that His Majesty's government, as mandatory power, will carry out the trust in letter and spirit. Palestine into a Jewish commonwealth in which the Jewish people can find refuge from persecution, and which they may call the right to establish themselves into a free nation.

It is our most hope and sincere belief that on the present plane

Jesus Christ called the JEWS

Sons of the Devil in John 8:44, Rev 2:9 and Rev3:9

"You belong to your father the devil, and you want to carry out your father's desires. He was a murderer from the beginning, not holding to the truth, for there is no truth in him. When he lies, he speaks his native language, for he is a liar and the father of lie" ~ *Jesus, John 8:44*

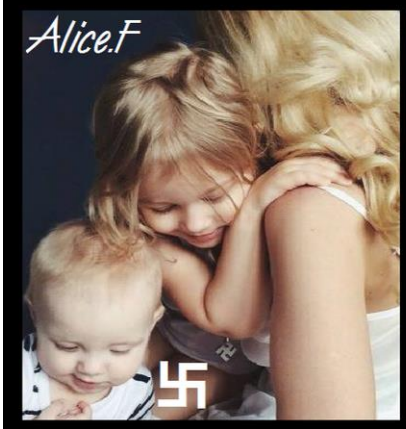
But today the Catholic Church and the Pope of Vatican kiss the asses of Jewish Devils

JEWS don't want you to know how Hitler re-populated Germany with ethnic Germans

JEWS are REPLACING White people by immigrants in only and every White countries

One of the earliest laws passed by Hitler once he came to power in 1933, was the 'law for the encouragement of marriage'. This law stated that all newly married couples would get a government loan of 1000 marks which was about 9 months average income! 800 000 new weddings took up this offer. This loan was not to be simply paid back. The birth of one child means than 25% of the loan did not have to be paid back. Two Children meant that 50% of the loan needed not to be paid back. Four children meant that the entire loan was cleared. Hitler passed other laws banning JEWS from working in many influential sectors in society, media and politics where they have been pumping into the brains of the Germans all anti-family, anti-Christianity filth.

What National Socialism taught about Women



" The first, best, and most suitable place for the women is in the family, and her most wonderful duty is to bestow children to her nation and her people; children who continue the lineage of generations and guarantee the immortality of the nation. The woman is the educator of our youth, and so she is the carrier of the future with her pledge. If the family is the nation's source of strength, than the woman is its core and its driving hub. In service to her nation, the best place for the woman to realize herself is in marriage, motherhood, and family. This is her highest calling. The childless and employed women are not excluded from the great works of motherhood for their nation. They give their strength, their abilities, and their love of responsibility for their country in other ways." ~ *Joseph Goebbels 8 March 1933, exhibit 'The Woman'*

Jew erect national phallus signifying that Amerika is a conquered nation.
The menorah is symbolic of a large circumcized penis and represents Jewish power, it should not be on the White House lawn nor should Jews be allowed to hold public office or they'll stick their dic k in your face like they are doing with this outrage!
What a bad joke this free nation is!
Nothing to see here citizen, move along and pay no attention to the giant Jewish menorah on the White House lawn.

Interracial Marriage

Another mode used to destroy the white race has been through interracial marriages. God prohibited the Israel people from intermarrying with other races (Deut. 7:1-3). The subversive Jewish goal and strategy to destroy the white race by interracial marriage was revealed in a speech by **Rabbi Emanuel Rabinovich**, which was delivered before the *Emergency Council of European Rabbis* in Budapest, Hungary, Jan. 12, 1952:

> Greetings, my children. You have been called here to recapitulate the principal steps of our new program. . . . The goal for which we have striven so concertedly for three thousand years is at last within our reach, and because its fulfillment is so apparent, it behooves us to increase our efforts and our caution tenfold. . . .Within five years, this program will achieve its objective, the Third World War, which will surpass in destruction all previous contests. . . . This war will end for all time our struggle against the [white race]. We will openly reveal our identity with the races of Asia and Africa. I can state with assurance that the last generation of white children is now being born. Our Control Commissions will, in the interests of peace and wiping out interracial tensions, forbid the whites to mate with whites. The white women must cohabit with members of the dark races, and the white men with black women. Thus the white race will disappear, for mixing the dark with the white will be the end of the white man, and our most dangerous enemy will become only a memory. We [Jews] will embark upon an era of ten thousand years of peace and plenty, the Pax Judaica, and our race will rule undisputed over the earth. Our superior intelligence will easily enable us to retain mastery over a world of dark peoples.[27]

All the talking points and narratives during the last 20 years about attacking terrorism at its home base in the Mideast are lies and war propaganda. Their purpose? To manipulate "We the People" into supporting phony wars for Israel, for huge war profits,and for the capture of natural resources and oil.

The biggest Terrorists in the World are the Israeli Leaders and those World Zionists behind them, then America (which has been hijacked by Israel), and then England and Saudi Arabia. NATO's job, rather than to keep us safe, has been to work hard covertly to start wars so that the Banksters and Defense Contractors can earn huge war profits fighting illegal, Unconstitutional wars of aggression and acquisition.

And you don't see my color before you see my face. You don't judge me before you know me. You DON'T FEAR me. You don't secretly hope that I stay out of your neighborhood.
What you do is worse. You give me BETTER jobs, better pay, better treatment and a better CHANCE— all because of the color of my skin— and you DON'T EVEN know you're doing it.
THAT'S UNFAIR.

OK, I have never been a fan of Jim Fetzer, but he and a team of Sandy Hook scholars do a fantastic job of breaking down the events leading up to December 14th, 2012, and all the reasons why none of it makes any damn sense. Fetzer displays an obvious passion for his work to expose the plans of FEMA, state and local authorities, and all the way up to the Attorney General and the White House and our assault on basic liberties since this charade happened.

His bottom line conclusion....nobody died at Sandy Hook, and the school had been closed for years and was nothing but a prop on a movie set. In the book he establishes that the original date for the drill was on 12/13, all the way down to Adam Lanza's listing in the Social Security Death Index on the 13th. He has photos of FBI agents drilling holes in windows to create bullet hole effects, and of other cast and characters on the scene the day before going through their dry run for the event. And just like 9/11 was the battle cry for the Patriot Act, the Surveillance Police State, and two illegal wars and tens of thousands unneccessary casualties, Sandy Hook has been the battle cry for social and political change, and sweeping gun control legislation much to the detriment of our personal liberties and freedoms. If you think I am exaggerating then you are grossly misinformed. Even the most avid Sandy Hook researchers will find completely new evidence here that we haven't seen before. I cannot recommend this book enough, read it with an open mind and you will be astonished at the scale of this massive lie and its impact on American life.

In the middle of a phone interview with *JNS.org* on June 26, billionaire real estate mogul and Republican presidential candidate Donald Trump leaves his desk to scan the wall of his office for awards he has received from the Jewish community.

Trump reads the text of some relevant plaques before returning to his desk. But before this reporter can move on to the next question, Trump eagerly points out that he was the grand marshal of New York City's annual Salute to Israel Parade (now the Celebrate Israel Parade) in 2004 "at a time when it was quite dangerous to do that" and "a pretty tough time for Israel," in the middle of the second Palestinian intifada (uprising against Israel). He also cites a video endorsement he gave Israeli Prime Minister Benjamin Netanyahu for the Jewish state's January 2013 election, expressing pride that it was "at the time the only ad done by a celebrity" for Netanyahu.

What does all of this have to do with the 2016 American presidential election? President Barack Obama won 78 percent of Jewish votes when he was first elected in 2008, and despite a rocky relationship with Israel when compared to most other U.S. presidents, he garnered 69 percent of the Jewish vote in 2012. Trump, however, touts his close relationship with Israel and the Jewish community as the reason he believes he can outperform Republican contenders of both the past and present among Jewish voters.

How close, in fact, is Trump's relationship with Judaism? Unlike the name of his reality TV show, he is no apprentice when it comes to the Jewish faith. Trump's daughter Ivanka converted to Judaism in 2009, and her observance of Shabbat with her husband Jared Kushner (a well-known real estate developer as well as the owner and publisher of the *New York Observer* newspaper) is well-documented.

"I have great respect for [the Shabbat traditions], and I see Ivanka during Saturday, and from Friday evening on through Saturday night, she won't take

Dr. Paul Nathan's View of Russian Massacre

STARTLING reports of the condition and future of Russia's 6,000,000 Jews were made on March 12 in Berlin to the annual meeting of the Central Jewish Relief League of Germany by Dr. Paul Nathan, a well-known Berlin publicist, who has returned from an extensive trip through Russia as the special emissary of Jewish philanthropists in England, America, and Germany, to arrange for distribution of the relief fund of $1,500,000 raised after the massacres last Autumn.

Dr. Nathan paints a horrifying picture of the plight and prospects of his coreligionists, and forecasts at any hour renewed massacres exceeding in extent and terror all that have gone before. He left St. Petersburg with the firm conviction that the Russian Government's studied policy for the "solution" of the Jewish question is systematic and murderous extermination.

Dr. Nathan read to the meeting a circular addressed to the garrison of Odessa, calling upon the soldiers to "rise and crush the traitors who are plotting to upset the holy Government of the Czar and substitute for it a Jewish empire."

He concluded with an appeal to the Jewish money powers of the world to arrest Russia's career as a borrower. The financiers of the world should call a halt to Russia, not only for humanitarian reasons, but for practical reasons. Russia's bankruptcy is an established fact, he added.

According to the rumor, the woman gained admittance to the palace and when Trepoff appeared she drew a revolver, but before it was fired she was seized.

The story is denied by the police.

DOOM OF EUROPEAN JEWS IS SEEN IF HITLER WINS

NEW YORK, June 24.—(AP)— Dr. Nahum Goldmann, administra- tive committee chairman of the World Jewish Congress, said today that if the Nazis should achieve final victory "6,000,000 Jews in Europe are doomed to destruc- tion."

"Their only hope for future ex- istence lies in the ability of Great Britain to resist the Nazi con- quest," declared Dr. Goldmann, who arrived here Friday from Ge- neva.

He issued a statement calling upon United States Jewry to take leadership in mobilizing Jews in North and South America for an organized defense program.

"if the Nazis should achieve final victory 6,000,000 Jews in Europe are doomed to destruction."

Not a single Jew has even been interned and Hitler is still pleading for peace; yet the "Holocaust" and the "6 million" have already been established!

ADL Disappointed With Supreme Court Ruling On Partial Birth Abortion Act

New York, NY, April 19, 2007 … The Anti-Defamation League (ADL) issued the following statement expressing its disappointment at the Supreme Court's ruling upholding the federal Partial Birth Abortion Act:

> We are deeply troubled by the ramifications of the Supreme Court's ruling on abortion. By upholding, for the first time, an abortion statute which contains no exception for the health of the woman, the Supreme Court has undermined a woman's right to choose and to act in accordance with her conscience and the dictates of her faith.
>
> We continue to believe that Americans should have the freedom to make difficult decisions of conscience and health without government interference.

All the talking points and narratives during the last 20 years about attacking terrorism at its home base in the Mideast are lies and war propaganda. Their purpose? To manipulate "We the People" into supporting phony wars for Israel, for huge war profits,and for the capture of natural resources and oil.
I own both these fucking pinheads... Bill and Sean are my gentile masonic bitches spewing my Zionist propaganda...the goyim hear only what I allow them to hear and see to only what I allow them to see.
The biggest Terrorists in the World are the Israeli Leaders and those World Zionists behind them, then America (which has been hijacked by Israel), and then England and Saudi Arabia. NATO's job, rather than to keep us safe, has been to work hard covertly to start wars so that the Banksters and Defense Contractors can earn huge war profits fighting illegal, Unconstitutional wars of aggression and acquisition.

OK, I have never been a fan of Jim Fetzer, but he and a team of Sandy Hook scholars do a fantastic job of breaking down the events leading up to December 14th, 2012, and all the reasons why none of it makes any damn sense. Fetzer displays an obvious passion for his work to expose the plans of FEMA, state and local authorities, and all the way up to the Attorney General and the White House and our assault on basic liberties since this charade happened.

His bottom line conclusion....nobody died at Sandy Hook, and the school had been closed for years and was nothing but a prop on a movie set. In the book he establishes that the original date for the drill was on 12/13, all the way down to Adam Lanza's listing in the Social Security Death Index on the 13th. He has photos of FBI agents drilling holes in windows to create bullet hole effects, and of other cast and characters on the scene the day before going through their dry run for the event. And just like 9/11 was the battle cry for the Patriot Act, the Surveillance Police State, and two illegal wars and tens of thousands unneccessary casualties, Sandy Hook has been the battle cry for social and political change, and sweeping gun control legislation much to the detriment of our personal liberties and freedoms. If you think I am exaggerating then you are grossly misinformed. Even the most avid Sandy Hook researchers will find completely new evidence here that we haven't seen before. I cannot recommend this book enough, read it with an open mind and you will be astonished at the scale of this massive lie and its impact on American life.

My apologies to anyone leaving comments, I'm not allowed to reply. Sorry.

Interracial Marriage

Another mode used to destroy the white race has been through interracial marriages. God prohibited the Israel people from intermarrying with other races (Deut. 7:1-3). The subversive Jewish goal and strategy to destroy the white race by interracial marriage was revealed in a speech by **Rabbi Emanuel Rabinovich**, which was delivered before the *Emergency Council of European Rabbis* in Budapest, Hungary, Jan. 12, 1952:

> Greetings, my children. You have been called here to recapitulate the principal steps of our new program. . . . The goal for which we have striven so concertedly for three thousand years is at last within our reach, and because its fulfillment is so apparent, it behooves us to increase our efforts and our caution tenfold. . . .Within five years, this program will achieve its objective, the Third World War, which will surpass in destruction all previous contests. . . . This war will end for all time our struggle against the [white race]. We will openly reveal our identity with the races of Asia and Africa. I can state with assurance that the last generation of white children is now being born. Our Control Commissions will, in the interests of peace and wiping out interracial tensions, forbid the whites to mate with whites. The white women must cohabit with members of the dark races, and the white men with black women. Thus the white race will disappear, for mixing the dark with the white will be the end of the white man, and our most dangerous enemy will become only a memory. We [Jews] will embark upon an era of ten thousand years of peace and plenty, the Pax Judaica, and our race will rule undisputed over the earth. Our superior intelligence will easily enable us to retain mastery over a world of dark peoples.[27]

"The Third World War must be fomented... between the political Zionists and the leaders of Islamic World. The war must be conducted in such a way that Islam and political Zionism mutually destroy each other. The multitude, disillusioned with Christianity, whose deistic spirits will from that moment be without compass or direction, anxious for an ideal... will receive the universal manifestation of the pure doctrine of Lucifer, brought finally out in the public view... which will follow the destruction of Christianity and atheism, both conquered and exterminated at the same time." -Albert Pike 1871

In the middle of a phone interview with *JNS.org* on June 26, billionaire real estate mogul and Republican presidential candidate Donald Trump leaves his desk to scan the wall of his office for awards he has received from the Jewish community.

Trump reads the text of some relevant plaques before returning to his desk. But before this reporter can move on to the next question, Trump eagerly points out that he was the grand marshal of New York City's annual Salute to Israel Parade (now the Celebrate Israel Parade) in 2004 "at a time when it was quite dangerous to do that" and "a pretty tough time for Israel," in the middle of the second Palestinian intifada (uprising against Israel). He also cites a video endorsement he gave Israeli Prime Minister Benjamin Netanyahu for the Jewish state's January 2013 election, expressing pride that it was "at the time the only ad done by a celebrity" for Netanyahu.

What does all of this have to do with the 2016 American presidential election? President Barack Obama won 78 percent of Jewish votes when he was first elected in 2008, and despite a rocky relationship with Israel when compared to most other U.S. presidents, he garnered 69 percent of the Jewish vote in 2012. Trump, however, touts his close relationship with Israel and the Jewish community as the reason he believes he can outperform Republican contenders of both the past and present among Jewish voters.

How close, in fact, is Trump's relationship with Judaism? Unlike the name of his reality TV show, he is no apprentice when it comes to the Jewish faith. Trump's daughter Ivanka converted to Judaism in 2009, and her observance of Shabbat with her husband Jared Kushner (a well-known real estate developer as well as the owner and publisher of the *New York Observer* newspaper) is well-documented.

"I have great respect for [the Shabbat traditions], and I see Ivanka during Saturday, and from Friday evening on through Saturday night, she won't take

The family ties between hundreds of thousands of German families and their American relatives led many to think that America would never join a second war against Germany.

ADL Disappointed With Supreme Court Ruling On Partial Birth Abortion Act

New York, NY, April 19, 2007 … The Anti-Defamation League (ADL) issued the following statement expressing its disappointment at the Supreme Court's ruling upholding the federal Partial Birth Abortion Act:

> We are deeply troubled by the ramifications of the Supreme Court's ruling on abortion. By upholding, for the first time, an abortion statute which contains no exception for the health of the woman, the Supreme Court has undermined a woman's right to choose and to act in accordance with her conscience and the dictates of her faith.
>
> We continue to believe that Americans should have the freedom to make difficult decisions of conscience and health without government interference.

EXCLUSIVE: Prince's controversial verdict on Russian leader's invasion of Ukraine

CHARLES: PUTIN IS BEHAVING JUST LIKE HITLER

Charles's comments will provoke global controversy

PRINCE Charles has sensationally likened Vladimir Putin to Adolf Hitler.

In a withering verdict on the actions of the Russian president in Ukraine, he told a woman who lost relatives in the Nazi Holocaust: 'And now Putin is doing just about the same as Hitler.'

From Rebecca English in Halifax, Nova Scotia

The prince's extraordinary intervention is certain to cause international controversy.

It is likely to be seen as a criticism of the West for failing to confront Mr Putin over his seizure of Crimea. The annexation was the first by a major power in Europe since 1945.

Charles has compared the crisis in Ukraine with Hitler's takeovers of Czechoslovakia and Poland. They have pointed to the similar use of disguised special forces to stir up tensions in disputed areas.

Charles, who is scheduled to meet Mr Putin at the D-Day commemorations in France on June 6, made his well-intentioned but unguarded comment during a visit to the Canadian

Mass Meeting Hears That 127,000 Jews Have Been Killed and 6,000,000 Are in Peril.

"We come out now before the world with the determined slogan, 'Those pogroms must stop.'" said the President in his annual message. "It is only a question of holding these facts continually before the civilized world; we must not permit the world to slumber. This fact that the population of 6,000,000 souls in Ukrainia and in Poland have received notice through action and by word that they are going to be completely exterminated—this fact stands before the whole world as the paramount issue of the present day."

The Crucifixion of Jews Must Stop!

By MARTIN H. GLYNN

(Former Governor of the State of N. Y.)

From across the sea six million men and women call to us for help, and eight hundred thousand little children cry for bread.

These children, these men and women are our fellow-members of the human family, with the same claim on life as we, the same susceptibility to the misery said, the same propensity to death before the fangs of hunger. Within them reside the illimitable possibilities for the advancement of the human race as certainly would reside in six million human beings. We may not be their keepers but we ought to be their helpers.

In the face of death, in the throes of starvation there is no place for mental distinctions of creed, no place for physical differentiations of race. In this outer night, when six million human beings are being whirled toward the grave by a cruel and relentless fate, only the most idealistic promptings of human nature should sway the heart and move the hand.

Six million men and women are dying from lack of the necessaries of life; eight hundred thousand children cry for bread. And this fire is upon them through no fault of their own, through no transgression of the laws of God or man; but through the awful tyranny of war and a blighted lust for Jewish blood.

In this threatened holocaust of human life, forgetting all the niceties of philosophical distinction, forgotten are the differences of historical interpretation; and the determination to help the helpless, to shelter the homeless, to clothe the naked and to feed the hungry becomes a religion at whose altar men of every race can worship and women of every creed can kneel. In this calamity the temporary rites of man's fashioning fall away before the eternal realities of life, and we awaken to the fact that from the hands of one God we all come and before the tribunal of one God we all must stand on the day of final reckoning. And when that reckoning comes more profession of Him will not weigh a pennyweight; but deeds, more intangible deeds, deeds that dry the tear of sorrow and allay the pain of anguish, deeds that with the spirit of the Good Samaritan pour oil and wine in wounds and find sustenance and shelter for the suffering and the stricken, will outweigh all the stars in the heavens, all the waters in the seas, all the rocks and metals in all the celestial globes that revolve in the firmament around us.

Pain is a matter of accident; greed, partly a matter of inheritance, partly a matter of environment, partly man's method of rationalization; but our physical wants and corporeal needs are implanted in all of us by the hand of God, and the man or woman who can, and will not, hear the cry of the starving, who can, and will not, take heed of the wail of the dying, who can, and will not, stretch forth a helping hand to those who sink beneath the waves of adversity is an anomaly of nature's finest institute, a traitor to the cause of the human family and an abhorrer of the natural law written upon the tablets of every human heart by the finger of God Himself.

And so in the spirit that turned the poor widow's mites offering of copper to silver, and the silver into gold when placed upon God's altar, the people of this country are called upon to sanctify their money by giving $13,000,000 to the cause of the humanity of Moses to six million famished Jews and women.

Six million men and women are dying —eight hundred thousand little children are crying for bread.

And why?

Because of a war to lay Autocracy in the dust and give Democracy the sceptre of the East.

And in that war for democracy 250,000 Jewish lads from the United States fought beneath the Stars and Stripes. In the 77th Division alone there were 14,000 of them, and in Argonne Forest this Division captured 24 German guns. This shows that at Argonne the Jewish boys from the United States fought for democracy as Judas fought against the Amalekites on the plains of Abraham. In an address on the so-called "Lost Battalion," led by Colonel Whittlesey of Pittsfield, Major-General Alexander shows the fighting stuff Gentile Jewish boys were made of. In some way or another Whittlesey's command was surrounded. They were short of rations. They tried to get word back to the rear telling of their plight. They tried and they tried, but their men never got through. Fainting and stupefaction and despair were in the air. And when the hour was darkest and all seemed lost, a soldier lad stepped forward, and said to Col. Whittlesey: "I will try to get through." His kind, he was reminded, he had to creep and crawl, but he got through. Today he wears the Distinguished Service Cross and his name is

ABRAHAM KRUTCHINSKY.

Because of this war for Democracy six million Jewish men and women are starving across the seas; eight hundred thousand Jewish babes are crying for bread.

Six million Jews in Eastern Europe face starvation, and even worse, during the coming winter. What National Socialism taught about Women

" The first, best, and most suitable place for the women is in the family, and her most wonderful duty is to bestow children to her nation and her people; children who continue the lineage of generations and guarantee the immortality of the nation. The woman is the educator of our youth, and so she is the carrier of the future with her pledge. If the family is the nation's source of strength, than the woman is its core and its driving hub. In service to her nation, the best place for the woman to realize herself is in marriage, motherhood, and family. This is her highest calling. The childless and employed women are not excluded from the great works of motherhood for their nation. They give their strength, their abilities, and their love of responsibility for their country in other ways." ~ *Joseph Goebbels 8 March 1933, exhibit 'The Woman'*

JEWS don't want you to know how Hitler re-populated Germany with ethnic Germans

JEWS are REPLACING White people by immigrants in only and every White countries

One of the earliest laws passed by Hitler once he came to power in 1933, was the 'law for the encouragement of marriage'. This law stated that all newly married couples would get a government loan of 1000 marks which was about 9 months average income! 800 000 new weddings took up this offer. This loan was not to be simply paid back. The birth of one child means than 25% of the loan did not have to be paid back. Two Children meant that 50% of the loan needed not to be paid back. Four children meant that the entire loan was cleared. Hitler passed other laws banning JEWS from working in many influential sectors in society, media and politics where they have been pumping into the brains of the Germans all anti-family, anti-Christianity filth.

Dr. Paul Nathan's View of Russian Massacre

STARTLING reports of the condition and future of Russia's 6,000,000 Jews were made on March 12 in Berlin to the annual meeting of the Central Jewish Relief League of Germany by Dr. Paul Nathan, a well-known Berlin publicist, who has returned from an extensive trip through Russia as the special emissary of Jewish philanthropists in England, America, and Germany, to arrange for distribution of the relief fund of $1,500,000 raised after the massacres last Autumn.

Dr. Nathan paints a horrifying picture of the plight and prospects of his coreligionists, and forecasts at any hour renewed massacres exceeding in extent and terror all that have gone before. He left St. Petersburg with the firm conviction that the Russian Government's studied policy for the "solution" of the Jewish question is systematic and murderous extermination.

Dr. Nathan read to the meeting a circular addressed to the garrison of Odessa, calling upon the soldiers to "rise and crush the traitors who are plotting to upset the holy Government of the Czar and substitute for it a Jewish empire."

He concluded with an appeal to the Jewish money powers of the world to arrest Russia's career as a borrower. The financiers of the world should call a halt to Russia, not only for humanitarian reasons, but for practical reasons. Russia's bankruptcy is an established fact, he added.

DOOM OF EUROPEAN JEWS IS SEEN IF HITLER WINS

NEW YORK, June 24.—(AP)—Dr. Nahum Goldmann, administrative committee chairman of the World Jewish Congress, said today that if the Nazis should achieve final victory "6,000,000 Jews in Europe are doomed to destruction."

"Their only hope for future existence lies in the ability of Great Britain to resist the Nazi conquest," declared Dr. Goldmann, who arrived here Friday from Geneva.

He issued a statement calling upon United States Jewry to take leadership in mobilizing Jews in North and South America for an organized defense program.

"if the Nazis should achieve final victory 6,000,000 Jews in Europe are doomed to destruction."

Not a single Jew has even been interned and Hitler is still pleading for peace; yet the "Holocaust" and the "6 million" have already been established!

Jesus Christ called the JEWS
Sons of the Devil in John 8:44, Rev 2:9 and Rev3:9

"You belong to your father the devil, and you want to carry out your father's desires. He was a murderer from the beginning, not holding to the truth, for there is no truth in him. When he lies, he speaks his native language, for he is a liar and the father of lie" ~ *Jesus, John 8:44*

But today the Catholic Church and the Pope of Vatican kiss the asses of Jewish Devils

EVERYTHING I NEED TO KNOW ABOUT JUDAISM I LEARNED ON THE MORNING OF GOOD FRIDAY 33 A.D.

On the day the Jews blew up the WTC Bobby Fisher, a Jew himself, had this to say about Canaanite Jews:

"F*ck the Jews. **The Jews are a criminal people**, they mutilate their children, they're **murderous, criminal, thieving, lying bastards**. They made up the Holocaust, there's not a word of truth to it. They're the worst liars and bastards... **Close down all the synagogues, arrest all the Jews, execute hundreds of thousands of Jewish ring leaders**, and, ah, you know, apologize to the Arabs, **kill off all the Jews over there in the bandit state, you know, of Israel. They will imprison the Jews**, they will execute several hundred thousand of them at least." "**What goes around comes around**."

Who think this is normal.

Jewish Bolshevism, also known as Judeo-**Bolshevism**, is an antisemitic canard which alleges that the **Jews** were at the origin of the Russian Revolution and held the primary power among **Bolsheviks**. Similarly, the **Jewish** Communism theory implies that **Jews** have been dominating the Communist movements in the world.

After we destroy the JEWISH power and we ban the JEWS by law from exercising several jobs from which they used to destroy us, we should re-write History and make it mandatory to teach children about JEWS in schools in order to ensure that JEWS will NEVER AGAIN be able to access power

We are called the "Greatest Generation"
because we defeated the evil Nazis in WW2

So White people, enjoy now your JEWISH New World Order, and be prepared to be replaced, hated, persecuted by the 3rd world hordes of Africa and the Muslims in your own homelands, who will erase & replace your "moral" civilization that they "love" so much

"There is NOTHING that the international **Jew fears so much** as the **TRUTH**, or any hint of the **truth** about **himself** or his **plans**" ~ *Henry Ford*

TODAY we have a solution - the ONLY solution

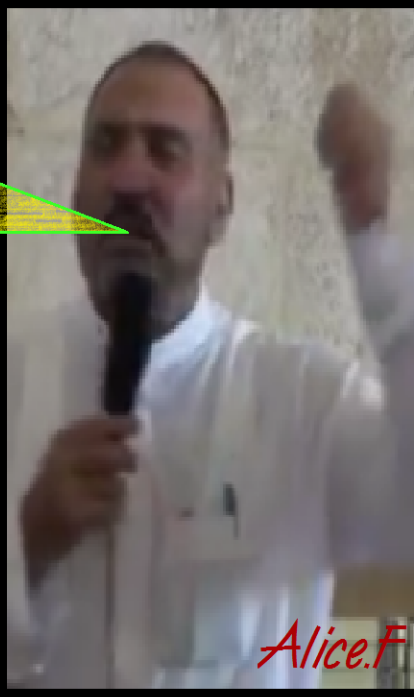
"What Hitler did, we should do again. Ban all Jews from working in many sectors and create a national currency and central bank - not backed by any natural resource owned by the Jews. But backed by the labor work of the citizens" *~Alice.F*

"Adolf Hitler will emerge from the hatred that surrounds him now as one of the most significant figures who ever lived" *~ John F Kennedy*

JEWS use Muslims' conquest dream to destroy Europe

" But they have lost their fertility, so they look for fertility in their midst. We will give them fertility! We will breed children with them, because we shall conquer their countries, whether you like it or not, oh Germans, oh Americans, oh French, oh Italians, and all those like you. Take the refugees! We shall soon collect them in the name of the coming Caliphate. We will say to you: These are our sons. Send them, or we will send our armies to you."

~ Sheikh Muhammad Ayed, Sept 2015



We Jews LOVE Islam because it is our best partner against Western civilization, Nationalism and Christianity. These stupid Muslims hate our enemies and wish to replace them by Arab lower IQ race we can manage easier
Alice.F

The third world war must be fermented by taking advantage of the Muslim wish to “spread Islam” in the Kafir land of Europe and the stupidity of the European liberals JEWS will continue to bring Muslim Immigrants, finance them, ban criticism of them in European media, till they become 40-50% of Europe population and will be able to participate in the civil war that the JEWS will trigger. This will destroy forever European Civilization and make the JEWS be able to expand their land to “Greater Israel’ while the Middle Eastern Muslims will run to Europe for Jihad
Are the JEWS Islamizing Europe for this reason?
Alice.F

"Even if **WE** are in a major war with the region's Arabs over the Land of Israel, **ISLAM** is still **MUCH BETTER** as a gentile (non-Jewish) culture than **CHRISTIANITY**." ~ *Rabbi Baruch Efrati, 2012*

Quran 9:5 "And when the sacred months have passed, then kill the polytheists wherever you find them and capture them and besiege them and sit in wait for them at every place of ambush. But if they should repent, establish prayer, and give zakah, let them [go] on their way. Indeed, Allah is Forgiving and Merciful."

Quran 9:29 "Fight those who do not believe in Allah or in the Last Day and who do not consider unlawful what Allah and His Messenger have made unlawful and who do not adopt the religion of truth from those who were given the Scripture - [fight] until they give the jizyah willingly while they are humbled."

9/11 EVERY SINGLE ASPECT OF IS JEWISH

"If the West doesn't wake up to the suicidal nature of militant Islam,
the next thing you will see is that militant Islam is bringing down the World Trade Center."
- **Benjamin Netanyahu**, in his book "Fighting Terrorism" 1995

5 DANCING ISRAELIS

5 men were reported filming the 9/11 Twin Towers Attack while at Liberty State Park located in Jersey City, New Jersey. They were spotted jumping for joy, mocking and celebrating the attacks. They would appear on Israeli TV two months after their arrest. Oded Ellner said "Our purpose was to document the event."

Sivan Kurzberg

Paul Kurzberg

Oded Ellner

A White Chevrolet van with the sign "Urban Moving Systems International" and a graphic of a passenger plane flying into the Twin Towers was spotted with 3 Israelis who were reported celebrating after the initial explosion. The van contained maps of the city, box cutters, $4,700 and multiple passports. Dogs positively detected explosives in the van.

CIA agents confirmed that "Urban Moving Systems International" is a Mossad front company.

Fox News reported 60 Israelis were arrested for espionage in the month of September and over 140 previously across America since 1990.

Just months before 9/11, the World Trade Center's lease was sold to **Larry Silverstein**.
Larry Silverstein took out an insurance plan that "fortuitously" covered Terrorism.
After 9/11 **Larry Silverstein** took the insurance company to court.
Larry Silverstein claimed he should be paid double because there were two attacks.
Larry Silverstein won and was awarded $4,550,000,000.

"We are benefiting from one thing, and that is the attacks on the Twin Towers and the Pentagon and the American struggle in Iraq. These events swung American public opinion in our favor."
- **Benjamin Netanyahu**, at Bar Ilan University, April 16 2008

REMEMBER THE USS LIBERTY

During the Six-Day War between Israel and Egypt, the United States maintained a neutral country status, and the ship USS Liberty was sent to collect signals intelligence in **international waters** near Egypt.

During the **visual contact**, Israeli aerial naval observer Major Uri Meretz **reported** it was a US Navy ship.

Despite the US flag was plainly-visible, Israeli Air Force and Navy attacked the ship with rockets and torpedos, **killing 34 US Navy personnel** and leaving **171 crew members wounded**.

Israel claimed Liberty was **mistaken** for an Egyptian ship.

This case was kept quiet by President Lyndon B. Johnson, whom had been having an affair with Israeli spy **Mathilde Krim** at the time of incident.

ISRAELI RADIO CHATTER BEFORE FIRING

Israeli pilot to IDF war room: This is an American ship. Do you still want us to attack?

IDF war room to Israeli pilot: Yes, follow orders.

Israeli pilot to IDF war room: But sir, it's an American ship - I can see the flag!

IDF war room to Israeli pilot: Nevermind; hit it.
